Statutes of the Boris Dubrovin Medal

1. The Scuola Internazionale Superiore di Studi Avanzati (SISSA), with the support of the Moscow Mathematical Society and of the groups of the Istituto Nazionale di Alta Matematica (INDAM) denominated Gruppo Nazionale per la Fisica Matematica (GNFM) and Gruppo Nazionale per le Strutture Algebriche, Geometriche e le loro Applicazioni (GNSAGA), has established the Boris Dubrovin Medal in memory of Boris Anatolievich Dubrovin, who has been Professor at SISSA from 1993 to 2019.
2. This award recognizes exceptionally promising young researchers who have already made outstanding contributions to the fields of mathematical physics and geometry.
3. The Boris Dubrovin Medal is awarded every two years.
4. There is no restriction on the nationality of Boris Dubrovin Medal recipients.
5. The recipient must have defended her/his Ph.D thesis in the solar year of the award or in the preceding 12 years. The eligibility period is extended beyond 12 years in case of maternity, with a 2 year extension for each child born before the nomination deadline.
6. The recipient will receive a medal and an allowance for travel to the award ceremony. The cost will be covered by SISSA. On the basis of future donations, SISSA can add also a monetary award.
7. Nominations for the Boris Dubrovin Medal can be made by researchers active in the fields of the award.
8. Self-nominations and nominations done by the Ph.D. advisors are not accepted.
9. The selection committee consists of five members:
 - one is nominated by Moscow Mathematical Society;
 - one is nominated by GNFM;
 - one is nominated by GNSAGA;
 - two are nominated by the Council of the Mathematics Area of SISSA: one of them is external to SISSA, the other one is a SISSA faculty member, who will act as secretary of the selection committee.
10. Researchers who have presented a nomination cannot be members of the selection committee.
11. Before the deadline for nominations, the members of the selection committee may solicit nominations by external referees.
